Request for Fee Waiver

SurvivetheDrive® is a 501c(3) not-for-profit organization that offers educational presentations and services to schools, professional and community-service organizations and conferences. We offer the program as an instructional and informational resource, intended to prevent car crashes; the leading cause of personal violence for our youth in our communities and country.

Our mission is to reach out to as many drivers and soon-to-be drivers as possible. We receive donations, contributions, sponsorship and fees from the greater community. Our funding is limited, so we offer financial assistance based on availability and need.

If your community, school or organization cannot provide funds to sponsor this program, please fill out this form be considered for a pro bono presentation. Please mail back to: Survive the Drive, 125 White Hollow Rd, Lakeville, CT 06039.
