a Hole in the Wall Camp™

SUPPORTING A GOOD CAUSE

Lime Rock Park is engaged with several local charities offering support and opportunities to raise funds and increase exposure throughout the season. As we highlight the following organizations, we encourage all fans to get involved on their own and join in to support a good cause.

SurvivetheDrive.org™

"Your Best Behind the Wheel"

Special Olympics of Connecticut

Since 1969, Special Olympics Connecticut (SOCT) has provided year-round sports training and athletic competition for children and adults with intellectual disabilities. Lime Rock Park has been a Regional Sponsor of SOCT for over five years and continues to provide a venue for their Special Events. This season the track will host the 2008 Karting Challenge to benefit Special Olympics Connecticut on 20-21 May 2008.

It's your chance to go head-to-head with your family, friends, co-workers, or clients for a fun filled day of action and thrills. For more information on this event and how to get involved with SOCT, please visit their website at www.soct.org.

The Hole in the Wall Gang Camp

The Hole in the Wall Gang Camp provides children with cancer

and other serious illnesses and conditions a camping experience of the highest quality, while extending year-round support to their families and health care providers.

It is here that children with cancer and other life-threatening illnesses find camaraderie, joy and a renewed sense of being a kid. They also get to do things that no one knew they were capable of doing. Visit www.holeinthewallgang.org.

Survive the Drive

Bob Green, a Skip Barber Racing School instructor, as well as long-time friend and supporter of Lime Rock Park created the Survive the Drive program. The program defines driver safety through a motivational, reasoned approach helping drivers to recognize the kinetic hazards of driving and learn to adjust their behavior. To learn more visit www.survivethedrive.org.
